## THE WESTERN TERRITORIES.

A comparative statement of the area of the present States with the setting fact that the area of the latter in square miles exceeds that of the fermer The superficial area of the Territories, organized and un-organized, is set down as follows: 

- TATE OF THE PARTY OF THE PART	do do			0   Nebraska 0   Menilla	do		000
Washington				Indian	do	187	
Utah	do	*****	187,00	0			
Squar	19. TE	illes		*****		1,507	000
To these I			to be added	, of the cate	nt of w	hish we h	ave

Square miles.	Square miles.
Maine 30,000	
New Hampahire 9,200	Maryland 9.674
Massachusetts 7.800	Virginia
Rhode Island 1,300	
Connecticut 4,674	South Carolina 24,500
Vermont	North Carolina
New York 46,085	Alabama 50,722
New Jersey 8,320	
Pennsylvania	Louisiana
Ohio	Arkansas 52,198
Indiana 33,809	
Illinois	
Wisconsin	
Michigan. 56,243	
Iowa 50,914	
California	
692 190	525 550

1,401,010 It is seen that the area of Kansas is ninetsen thousand square miles greater than that of all New England, New York, and New Jersey; and that the area of Nebraska is ninety-five thousand miles greater than that of all the non-sidvebolding clustee except California. Oregon is nearly equal in extent to all New England, New York, Penneyl-vania, Ohio, and Indiana. It is possible that New Mexico and Mesilla will be embraced in one territorial organization by Congress at the present session, containing 288,000 square miles—exceeding all New England, New York, Penneylvania, Ohio, Indiana, and Illinois. Washington exceeds in extent all New England and New York.

3. Applications for pardons in all cases of conviction in the courts of the United States.

the United States.

4. Applications for appointment in all the judicial and legal business the government.

5. The conduct and argument of all suits in the Supreme Court of First. The direction of all appeals on land claims in California.

Second, The codification and revision of the laws of the Instrict blumbia.

Socretary of the Pepartment of the Interior, Hon. Jacob Thompson, of the State of Masissippi. In clerical force consists of one chief clerk, (Moses Kelly, ess.). Two disbursing clerks, and too other regular clerks; and to its supervision and management are committed the following branches of the public service:

Int. The Public Lands. The chief of this burean is called the Commissioner of the General Land Office. The Land Bureau is charged with the survey, management, and sale of the public domain, and the issuing of ities therefor, whether derived from confirmations of grants made by former governments by sales, donations, of grants for schools, military bounties, or public inforcements, and the issuing of scrip in feu thereof. The Land Office, also, audits its own accounts: The present Commissioner is Hon. T. & Hendricks, of Indians. Its principal officers are a recorder, chief clerk, principal clerk of surveys, besides a draughtsman, assistant draughtsman, and some 150 clerks of various grades.

2st. Pensions.—The present head of this bureau is George C. Whiting, of Virginia. The commissioner is charged with the examination and adjudication of all claims arising under the various and numerous laws passed by Congress granting bounty land or pensions for the military or naval services in the revolutionary and subsequent wars in which the United States have been engaged. He has one chief clerk, (S. Colle, eds.) and the performance torse consisting of some ninety other clerks.

3d. Foliators.—Commissioner of Indian Affairs, Charles E. Mix, of

inety other clerks.

3d. Indians.—Commissioner of Indian Affairs, Charles E. Mix. coorgetown, D. C. He is provided with a chief clerk and about fileer Georgetown, D. C. He is provided with a chief clerk and about fifteen other subordinate clerks,
4th. Faterd Office.—To this bureau is committed the execution and performance of all "each and things touching and respecting the granting and issuing of patents for new and useful discoveries, inventions, and improvements;" the collection of statistics relating to agricultare, the collection and distribution of seeds, plants, and cuttings. It has a chief clerk—who is by Jaw the acting Commissioner of Patents in the absence of the Commissioner—welve principal, and treelye assistant examiners of patents, some degen subordinate permanent clerks, bestdes a considerable number of temporary employees. How. Joseph Holt is the Commissioner, and Samuel T. Shugert, eeq., Chief Clerk.

clerks, besides a considerable number of temporary employees. Hon. Joseph Holls is the Commissioner, and Samuel T. Shugert, eq., Chief Clerk.

Hosdaet these four principal branches of this new executive department, the organic act of 1849 transferred to it from the Tensury Department the supervision of the accounts of the United States marshals and attoracys, and the clerks of the United States courts, the management of the leant and other mines of the United States, and the afairs of the penitentiary of the United States in the Bistrict of Columbia, and from the State Department the duty of taking and returning the censures of the United States pand the remains of the Commissioner of Public Buldings. The hospital for the insane of the Commissioner of Public Buldings. The hospital for the insane of the army and navy and of the Bistrict of Columbia is also under the management of this department; addition to which, by law recently passed, the Secretary of the Interior is charged with the construction of the three wagon roads leading to the Pacilic coast.

The department require an additional building for its accommodation, and the erection of one has been repeatedly recommended during the last few years for that purpose. At present the Possion Office is provided with rooms in what is known as "Winder's Building," while the other branches of the department, including the Secretary's office, are all crowded into the Patent Office building, the whole of which will be required at an early day for the use of the Patent Office, for which it was originally intended.

The Treasury Department consists of the offices of the Secretary of the Treasury, two comptrollers, commissioner of the customs, six au-ditors, treasurer, register, solicitor, light-house board, and coast sur-

Hm. Philip Clayton, Assistant Secretary; one engineer in charge; one arenitect, and three draughtemen temporarily employed, and twenty three clerks. The Secretary of the Irreadry is charged with the general supervision of the fiscal transactions of the government, and of the execution of the laws concerning the commerce and navigation of the United States. He superintends the survey of the count, the light-house establishment, the marine hospitals of the United States, and the construction of certain public huildings for custom-houses and other purposes.

poses.

Pirst Comptroller's Office.—Hen. William Medill, Comptroller, and ifficen clerks. He prescribes the mode of keeping and roudering accounts for the civil and siplomatic service, as well as the public lands, and revises and certifies the balance arising thereon.
